Chitosan LipoSan Ultra™

What Is It?

Chitosan is obtained by hydrolyzing the aminoacetyl groups of chitin from shellfish. Chitosan LipoSan Ultra™ is an innovative chitosan with rapid solubility.*

Uses For Chitosan LipoSan Ultra™

Weight Loss Support: LipoSan Ultra™ provides advanced solubility chitosan for weight loss.*

What Is The Source?

Chitosan is a polysaccharide obtained from the hard shell (chitin) of crabs and other shellfish. LipoSan Ultra™ is a registered trademark of Vanson, Inc.

Recommendations

Pure Encapsulations recommends 4-8 capsules per day, in divided doses, with 8 oz water, before meals.

Are There Any Potential Side Effects Or Precautions?

If pregnant or lactating, consult your physician before taking this product. Chitosan may interfere with the absorption of fat-soluble vitamin supplements and should be taken at a separate time than vitamins A, D, E or K. Individuals with intestinal malabsorption syndromes should not use chitosan. This product should not be taken by individuals with a shellfish allergy.

Are There Any Potential Drug Interactions?

At this time, there are no known adverse reactions when taken in conjunction with medications.
