

Pancreatic Enzyme Formula

What Is It?

Pancreatic Enzyme Formula provides natural enzymes to nutritionally support proper digestive function.*

Uses For Pancreatic Enzyme Formula

Digestion Support: Pancreatic Enzyme Formula is designed to aid the body's natural digestive process. It provides a highly concentrated form of enzymes naturally secreted by the pancreas, which are essential to the digestion of food and absorption of nutrients. The formula contains lipase, which digests fat; proteases, which digest protein; and amylases, which digest starch.*

What Is The Source?

Pancreatin is a full-strength, undiluted porcine extract, containing digestive enzymes lipase, protease and amylase in their natural ranges.

Recommendations

Pure Encapsulations recommends 1-2 capsules with each meal.
