VisionPro Nutrients

INTRODUCED 2011

What Is It?

VisionPro Nutrients is a comprehensive multivitamin/mineral complex designed to support ocular health. The importance of nutrients for eye health has been particularly evident since the publication of a long-term multicenter, prospective study involving more than 5,000 individuals ages 55-80. The study revealed that high amounts of vitamin C, vitamin E, zinc and copper support the health of the retina and macula. Additional research suggests that optimal vitamin D levels may also promote macular health. VisionPro Nutrients is a gentle hypoallergenic formula providing a comprehensive profile of highly bioavailable vitamins, fully-chelated minerals and antioxidants to support healthy visual function and overall health.*

Indications

- Men and women ages 18 and over

Vitamin/Mineral Distinctions:

- Clinically researched levels of vitamin C, vitamin E, zinc and copper in highly bioavailable forms to support healthy vision and eye integrity*
- Contains 5,000 i.u. of vitamin A per serving to support night vision and healthy tear production*
- Provides Metafolin® L-5-methyltetrahydrofolate (L-5-MTHF), the naturally occurring, universally metabolized form of folate*

Special Features:

- Convenient three capsule per-day dosing
- Helps maintain macular and retinal health with 10 mg lutein, 2 mg zeaxanthin and 1 mg lycopene per serving*
- Supports visual function and healthy photoreceptor activity with taurine, alpha lipoic acid and resveratrol*
