# PureWoman™

What makes women unique is not solely a matter of anatomy and hormones. It is the complex interplay of hormones, their receptors, and dietary, lifestyle and environmental factors that converge on every organ system in a woman's body.

PureWoman™ recognizes these complex relationships and the science behind them, empowering practitioners with nutritional supplements and education to bring a new level of health and wellness to female patients at all stages of life.\*

Developed in collaboration with integrative gynecologist Felice L. Gersh, M.D.,<sup>†</sup> the PureWoman™ platform offers product protocols for:

- ✓ Premenstrual and Menopausal Support\*
- ✓ Breast and Ovarian Health\*
- ✓ Metabolic Health\*
- ✓ Reproductive Support\*
- ✓ Emotional Well-Being and Occasional Stress\*
- ✓ Cardiovascular Support\*

**Felice L. Gersh, M.D.**, is an award-winning integrative gynecologist. She has special expertise in women's hormones and the impact of environmental toxins, medications, nutrition, and aging on hormone receptors and production. Dr. Gersh is a graduate of Princeton University and the University of Southern California School of Medicine. She is double board-certified in Obstetrics & Gynecology and Integrative Medicine, and completed a two-year fellowship in Integrative Medicine at the University of Arizona School of Medicine.
