Teavigo™

INTRODUCED 2004

What Is It?
Teavigo™ is a natural, caffeine-free, highly purified and refined green tea extract providing 94% epigallocatechin gallate (EGCG).*

Uses For Teavigo™
Healthy Cellular Function: Numerous studies have reported that EGCG provides optimal cellular function and antioxidant protection. Multiple recent studies have suggested that this polyphenolic compound supports prostate, colon, lung, and bladder health. Additionally, a clinical study reported that EGCG promoted healthy cervical tissue. An in-vitro study conducted at the Mayo Clinic in Rochester, MN, reported that EGCG helped promote blood cell health. Research has indicated that EGCG may promote cellular health through a number of pathways, including moderating hydroxyl radical formation as well as gene expression. Furthermore, EGCG may promote healthy lipid metabolism. Investigators in one study reported that the gallate moiety on the EGCG played a particularly important role in supporting healthy apolipoprotein metabolism.*

What Is The Source?
Pure Encapsulations Teavigo™ is composed of green tea (Camellia sinensis) extract (standardized to contain 94% EGCG). Vitamin C (ascorbyl palmitate) is derived from corn dextrose fermentation and palm oil. Hypo-allergenic plant fiber is derived from pine cellulose. Teavigo™ is a registered trademark of DSM Nutritional Products, Inc.

Recommendations
Pure Encapsulations recommends 1-2 capsules per day, in divided doses, with meals.

Are There Any Potential Side Effects Or Precautions?
If pregnant or lactating, consult your physician before taking this product. Rare case reports have suggested that large amounts of green tea extract may be associated with liver health concerns. Discontinue use and consult a healthcare professional if you have a liver disorder or develop symptoms of liver trouble such as abdominal pain, dark urine or jaundice.

Are There Any Potential Drug Interactions?
Green tea extract may interfere with the absorption and effectiveness of a number of medications including certain heart, blood thinning, antidiarrheal, and cold or hay fever medications. Consult your physician for more information.

Teavigo™
each vegetable capsule contains
