

# Perilla extract

Perilla seed extract to support healthy modulation of Th2 cytokines and mucosal health<sup>‡</sup>

Part of the **PureResponse™** Product Line

Perilla seed offers a concentrated source of polyphenols, rosmarinic acid, luteolin and other beneficial compounds. This herb has been traditionally used to promote healthy respiratory and immune function.<sup>‡</sup>

Perilla extract also helps to:

- ✓ Support healthy modulation of Th2 cytokines as well as eosinophil and mast cell activity<sup>‡</sup>
- ✓ Maintain healthy modulation of mucosal immune responses to environmental factors and cytokine homeostasis of GI mucosal tissue<sup>‡</sup>

Good for patients who need support for **healthy intestinal, sinus, and respiratory mucosal function<sup>‡</sup>**

## Perilla extract Supplement Facts

### 1 capsule contains:
